

DEAR VISITOR!

The access to LOVRENC LAKES will be occasionally obstructed due to the RENOVATION WORKs on watching TOWER.

Some sections of roads between Rogla and Lovrenc lakes (in particular over the areas of Ostruščica and Mulejev vrh) will be closed from time to time because of lumbering and removal of trees on Planje.

These works are carried out under projects

WETMAN – »Protection and Management of freshwater wetlands in Slovenia«, EU financial instrument LIFE+ Nature;

and

ALPA - »Sustainable management of alpine pastures on protected areas«, EU fund for territorial (cross border) cooperation, Operative programme Slovenia-Austria 2007-2013.
