

ceste zunaj naselja - za zavarovanje del, ki zahtevajo popolno zaporo odseka brez vzpostavitve obvoza

- The diagram illustrates the sequence of traffic signs for a construction zone with a 50 km/h speed limit. The road is divided into a 'varovalno območje' (warning zone) and a 'delovišče' (work zone). The signs are placed at specific distances from the start of the work zone:

 - 0m:** A worker holding a red flag, a red and white striped barrier, and a yellow sun symbol.
 - 100m:** A circular speed limit sign of 50 km/h.
 - 200m:** A circular speed limit sign of 70 km/h, a worker holding a red flag (1), and a downward arrow.
 - 400m:** A triangular warning sign for a narrow road ahead (2), a rectangular sign for a temporary traffic light (3), and a circular sign for a temporary traffic light (4).

At the bottom, there are two arrows: a downward arrow and an upward arrow.
