

This is a detailed topographic map of the Polzela region in Slovenia. The map shows the Sava river flowing through the area, with numerous tributaries and smaller water bodies. The terrain is characterized by rolling hills and valleys, with elevation contours indicating the topography. Key towns and settlements are marked, including Ljubljana, Polzela, and various smaller villages. The map also shows a network of roads and railways. A grid of coordinates is overlaid on the map, and a scale bar is provided in the bottom right corner.
